## Foreword

The staff of the 1955 Lion has done its best to recapture and preserve some of the treasured moments of the past year. We hope you will be proud of this book and as you glance through the pages, you will recall the days of your college life . . . New faces will appear next year to replace the old familiar ones, but for us, there will always be this book to remind us of the friends we had, the things we did, and the memories we hold dear . . . We, the staff, are proud to give you this, the 1955 Lion.

Because we appreciate her for the sterling qualities she has exhibited as a guiding influence for the youth of our college

Because she has worked diligently and untiringly toward the advancement of educational opportunities

Because she has understood our problems, helped us with patience, listened to our complaints with an unfailing smile, inspired us with confidence, encouraged us when we were disheartened, and enhanced our chances for success

We proudly dedicate this, our 1955 Lion, to our sponsor.

DR. ANNETTE P. CRICKARD

## *Our President*

Although this is the first year that Mr. Harbour has served in the capacity as President of the East Mississippi Junior College, already gratifying changes in the campus and the curriculum are evident.

We, the students, appreciate his vision for an enlarged and greater E.M.J.C. and his unflagging efforts in making that vision a reality.

He has won the respect of the students for his unlimited enthusiasm, for his integrity of purpose, and for his sincere personal interest in the welfare of each student.

We are glad to dedicate this page to our President—the man who in one year has made so many of our dreams come true.

Dr. Annette P. Crickard  
East Mississippi Jr. College  
Scooba, Mississippi

Dear Doctor Crickard:

In judging the lovely photographs of the students, we found it difficult to make a selection as they all have individual charm.

However, since you request that we make a choice, Lucy and I have mutually agreed on Barbara Wood and Curry Palmer for their appearance and personality.

We are returning the photographs and an autographed photograph for Barbara and Curry, and best wishes to all.

Thank you for the honor of judging your contest.

Sincerely,

A large, stylized handwritten signature in black ink, which appears to read "Desi Arnaz". The signature is fluid and cursive, with a long horizontal stroke extending to the left.

Peggy, a sophomore from Center Hill, was the unanimous choice for Football Queen at E.M.J.C. in '54 and '55.

She was crowned by A. L. Courtney, captain of the football team, at a banquet held in her honor in October.

Her maids, Carolyn and Barbara, were escorted by the co-captains: Pete Mc-Minn, Bo Allen, and Willard Moss.

The Lion staff began meeting at the first of school and worked diligently until the first of March to provide you with a beautiful annual.

The staff of the Collegian, all inexperienced, met as a regular class, elected Raymond Stokes, editor, and put out an excellent paper filled with news and pictures.

### *Head Majorette*

MARLENE DAVIS

Marlene is an attractive and popular junior from Scooba. Having served two years in the drill squad, Marlene stepped into the job of band major-ette. She did an excellent job and we hope to see her back next year.

### *Drum Major*

THOMAS SCARBROUGH

Tom is a freshman music major from Calhoun City. Besides doing an excellent job of leading the band, Tom is in the glee club, plays a fine trumpet, and has taken an active part in dramatics.

MR. GENE CRAGO, our new band director, has greatly improved our music department. Besides having organized several musical groups, he has made our band an excellent marching and concert band.

The members have worked diligently, and E.M.J.C. is proud of them and Mr. Crago.

The Glee Club members posed for their first picture in their new maroon and white robes. The group has had a busy season filling engagements in various communities.
